Dale,

attached is what should be a final version of the MOU.

i incorporated, as appropriate, language in response to the review provided by your attorney.

also, of course, the BMP has been constructed and we are well on our way in resolving the monitoring issues. so, certain issues have already been resolved and for this reason the MOU is more or less an anachronism.

for convenience and to facilitate review, i'm attaching the version provided by your attorney along with what should now be a final version.

if everything appears OK, then if you would have your Town Manager sign it, then scan it to *.pdf and email it back to me.

i will then have my Division Director, Ken Moraff, sign and i'll get you a final signed copy.
